

LOUISIANA COMMUNITY & TECHNICAL COLLEGE SYSTEM

STATEMENT OF UNDERSTANDING

MOBILE/ELECTRONIC MESSAGING DEVICE

*Changing Lives,
Creating Futures*

Monty Sullivan
System President

I am aware that mobile connectivity is a requirement for my position with Louisiana Community and Technical College System, Board of Supervisors. I understand and agree that I am to provide my own mobile device for both voice and data in lieu of being issued a State device. I also understand that I must have a data/voice plan sufficient to maintain the necessary volume needed to fulfill connectivity needs both personal and professional and that a copy of my mobile plan must be furnished to LCTCS if requested.

I agree and understand that my annual salary will include compensation for the use of my personal mobile device and that this is effective on the first day of my employment.

I agree and understand that as part of this compensation for my mobile device, I am expected to be available to my supervisor and colleagues with “24/7 responsiveness”.
