

Louisiana's

Community & Technical Colleges

Pursuant to Act 472 of the 2021 Regular Legislative Session of the Louisiana Legislature, the Louisiana Board of Regents (BOR) implemented the Uniform Policy on Power-Based Violence and Sexual Misconduct effective August 10, 2021. This policy requires annual training for each of its Responsible Employees starting no later than the beginning of the 2022-23 academic year. Per the policy, the BOR developed and provided to the Board Office SCORM video files to customize and provide to all member institutions. Board Office staff customized this video package and has begun to roll it out to all colleges, either in the KnowBe4 platform or other platform requested by the college.

To date, 36% of Board office staff have completed this new Responsible Employee training, and the System overall currently has an 8% completion rate. This is to be expected, as most member institutions did not receive the finalized modules until mid-April. All Responsible Employees will complete this new training by August 31, 2022, as required. This includes all faculty, staff, Board members, student employees, MEPOL, and LED FastStart employees. This includes a total of 4,609 employees, 181 of which are Board Office staff and employees.

While awaiting the availability of the formal training course, the Louisiana Community and Technical College System (LCTCS) Board office has continued its commitment to training in other areas to support our colleges. Since August of 2021, 259 LCTCS faculty and staff have completed 65 hours of training. These trainings ranged in attendance from 1-93. Training topics included Title IX and Power-Based Violence Laws, Policies, and Procedures; the Roles of Title IX Coordinators, Hearing Officers, and Investigators; Trauma-Informed Interview Techniques; the Hearing Process; Reporting; and Case Resolution. In April of 2022, the System created the Executive Director for Student Compliance, Equity, and Governance position under the Office of Public Affairs, and Diversity, Equity, and Inclusion to formalize the oversight of Title IX and Power-Based Violence compliance efforts.

Additionally, 95.8% (68/71) Confidential Advisors completed required BOR training. The remaining three (3) Confidential Advisors are new appointees to the role and will complete the training this semester. The Board of Regents has recommended a ratio of 1 Confidential Advisor to every 1,500 students (1:1500). LCTCS far exceeds this requirement. We have implemented a minimum of 2 Confidential Advisors, even where

the established ratio requires only 1. Using the 1:1500 ratio, LCTCS would be required to have thirty (30) Confidential Advisors across the System, but LCTCS maintains a pool of seventy-one (71) Confidential Advisors currently.

The number of formal complaints related to Title IX and Power-Based Violence increased exponentially during this reporting period, October 1, 2021-March 31, 2022. This was an expected consequence of robust awareness efforts and training on how to report and what should be reported. While any number of formal complaints is alarming, we are encouraged that our efforts are more effective in creating a culture of reporting and campuses that can address campus safety more proactively. Statistically, we understand that an increase in reports does not necessarily mean an increase in incidents. Rather, incidents that have been occurring all along but have gone unreported are now beginning to surface. LCTCS is committed to forging ahead to create safe campuses, where students, faculty, and staff feel comfortable reporting any incidents that create obstacles to learning and work.
